“How To Take Your Magic Career To The Next Level With Measurable Results – **GUARANTEED!!!!...**”

Dear friend and fellow entertainer,

Are you stuck?

Do you have a dream of making a great living as a professional magician and can't quite figure out how to make it work? Do you have an act that needs just a little tweaking? Is your phone not ringing off the hook with clients wanting to pay you handsomely for your services?

A few years ago, I found myself in a similar situation. I knew I had the talent to be a professional entertainer. I certainly had the desire. But how do I do it?

Granted, there is no quick and easy answer to these questions. Through much trial & error, I made it. I now enjoy a well into the **six-figure income** doing what I absolutely love!!! It was hard work. But absolutely worth every step!

So, how did you do it, Eric?

That's the question I get asked almost everyday by magicians. And this is why I'm offering this once-in-a-lifetime opportunity to my fellow magicians that are **110%+ committed to success**.

Working with someone else on my business has taken me places I could have never gotten to on my own. I've had the pleasure to work with consultants in and out of the magic business. Their insights and examples have catapulted me forward at an outstanding rate! Having an outside view is something that was impossible for me to see.

So what's the scoop?

Let's jump right into the opportunity...

****NOTE**:** My schedule is slammed and there are some VERY exciting things in the horizon. I cannot and will not work with “armchair” entertainers on this.

If you cannot honestly answer these questions with a resounding “yes”, please save both our time and stop reading now.

- ✓ Are you committed to being a success in the magic industry?
- ✓ Are you willing to sacrifice the time necessary to become successful?
- ✓ Are you willing to invest cold, hard cash into your career?
- ✓ Will you follow a plan laid out for you to fruition?

If you answered yes to these questions, congratulations, you are ready to take the plunge!!!

And I can help!!!

Due to popular demand, I have put together a system that will bring you individual results like no other program ever!!! The key to the whole thing is that it is personally tailored to you! To your dreams. To your current level and where you want to be. Even to your current financial situation.

Here's how it works...

If you are 110%+ committed to working with me to make your dreams a reality, fill out the following questionnaire as honestly as possible. Send it to me via fax, email or snail mail. I will review it at length and see if we are a match. If I can't help you, I won't waste your time or mine.

If you are accepted into the program, I will email you a detailed list of the next steps we will take together before the program even begins. I'm telling you seriously, this is tailored to you.

****VERY IMPORTANT****: The only way this program will work is under complete confidentiality!!! NOTHING you share with me will be shown to anyone else. No one will be using your marketing materials we come up with together. No one will be doing your routines we develop.

This is the only way for this to work successfully. Complete trust from both of us. On the other hand, you may not share the information I share with you to anyone else. Actually, you won't want to. It will be that good!!!

Next step...

Fill out the following form and send it back to me via fax, email or snail mail...

You will need extra paper to answer these questions honestly. Please, feel free to send me as much as it takes to clearly present what you want! And congratulations! Just by filling out this form, you have joined the rank of the top 3% of adults that know what they want and have written goals!!! This is HUGE!!!!!!! Pat yourself on the back!

Send this form and any other pertinent info to: ***

**Eric Paul – P.O. Box 803 – Phoenixville, PA 19460 – U.S.A.
success@moremoneywithmagic.com or fax: 484-924-9016**

There is no obligation unless you decide to participate in the program

So what happens if I'm accepted?...

Well, this is where the magic begins. Once I review your application and I feel you are the type of person I want to work with, and can help, I'll email you so we can set-up an initial consultation. This will be via phone, I'll call you. This is only the preliminary step to the journey. Then we'll get kicking!!!!

What the program includes after the preliminary consultation...

- A detailed "Attack" Plan tailored just for you and your dreams, aspirations and situation.
- **Bi-Weekly 30 minute telephone consultations!!!**
- Unlimited email access!!!
- **Unlimited reviews of your marketing materials, video-tapes and anything else you want help on!!!!!!**
- One 30-minute follow-up telephone consultation six weeks after the end of the program, to make sure you're on track!
- **A solid, workable plan to take you to your five-year vision!!!**

This is HUGE! This is your opportunity to have me come in and totally evaluate your success as only an outsider can. We magicians are so used to "self-directing" and it is one of the biggest problems in our business. There is no other performing profession that would ever think to go on stage without a director or coach! Why are we magicians so different? We're not!

Ok Eric, it makes total sense! What's it going to cost me?

Ah, the magical question. If you're like me, you probably skipped to this part when you opened it. Well, make sure you go back and read the rest. But here's the deal...

As you can see, this will be extremely time-consuming on my part. I am not working off a form and just filling in your info and sending it to you. This intensive work will be done just for you! That's why it will not be cheap. But I am going to hook you up.

If I was to do a consultation for you like this, normally, it would cost you big time! My corporate clients pay me big, big, big for this kind of program!!!

But, you're a magician. You're committed to success. Chances are, if you're reading this far, you're my friend. Someone helped me like this on my journey too. I guess I feel the need to give back or something.

If you are accepted into this program, if I really feel I can help you make your dreams and goals a reality, then here's the scoop...

You can get the personalized attack plan, unlimited email support, bi-weekly ½ hour telephone consultations, unlimited marketing and video reviews for the duration of the program (you decide when to start and stop), the initial consult and the follow-up, the complete five-year plan, and some special surprises all for just \$197.00 per month!!!

What? Are you nuts? Yes, I probably am. This is way too inexpensive for the value you will be getting. This kind of work could very literally change your life! Other marketing experts are charging \$2,000.00 and more for this type of work, and that's only for a month!

My friends think I'm nuts for offering this much. You probably do too. To be completely honest, I don't know how long I'll be offering this. Most likely, not very long. I will only take a few people on anyway so that I can give them my complete attention.

Think this over very seriously my friend. It's not a decision to be taken lightly. This program requires commitment for it to work. Commitment from you, commitment from me. Talk to your significant other about it. Evaluate your goals. But don't take too long in deciding. This will not be around for long!

Thank you for your time and I look forward to working with you to take your performing career to the next level!!!

Yours in success,

Eric Paul
Author, Speaker & Entertainer
